

KODIREKKA SANGEETH BABU

+91 9391866329 | ksangeeth.9391@gmail.com | Tirupati, AP, India | GitHub: ksangeeth9391 | LinkedIn: k-sangeeth

PROFESSIONAL SUMMARY

Final-year Computer Science (AI & ML) student with hands-on experience building and evaluating ML models for classification and NLP tasks, including a text-classification model reaching 99% accuracy on 8,980 test samples. Proficient in Python, Scikit-learn, and Flask, with basic React exposure and a foundation in OOP and data structures. Contributor to open-source repositories on GitHub. Seeking an entry-level Software Engineer role.

EDUCATIONAL QUALIFICATIONS

Course	Institution / University	Board	Year	CGPA
B.Tech, Computer Science and Engineering (AI & ML)	Sri Venkateswara College of Engineering, Tirupati	JNTUA	2027 (Pursuing)	8.37
Intermediate (MPC)	Sri Venkateswara Jr College, Tirupati	BIEAP	2023	7.8
SSC	Venkatagiri EM High School	BSEAP	2021	9.9

PROJECTS

Fake News Detection

- Built a text-classification model to identify Fake vs. Real news articles, achieving 99% accuracy, 99% precision, 99% recall, and a 99% F1-score on an independent test set of 8,980 news articles.
- Engineered an NLP preprocessing pipeline (tokenization, stop-word removal, stemming, TF-IDF vectorization) and trained a Logistic Regression classifier, applying core data structures (hash maps, arrays) for efficient feature indexing.
- Technologies:** Python, Pandas, NumPy, Scikit-learn, NLTK, TF-IDF Vectorizer, Jupyter Notebook.

Spam Message Detection

- Designed and deployed a Flask web application that classifies user-submitted messages as Spam or Not Spam in real time, returning a live confidence score.
- Achieved 100% accuracy, precision, recall, and F1-score on a balanced 60-message evaluation set (30 spam / 30 non-spam) using TF-IDF features and Logistic Regression.
- Technologies:** Python, Pandas, Scikit-learn, TF-IDF Vectorizer, Logistic Regression, Flask, HTML, CSS.

Credit Card Approval Prediction

- Built an end-to-end ML pipeline to predict credit card application approval, covering data collection, cleaning, exploratory data analysis, and feature engineering.
- Trained and benchmarked Logistic Regression, Decision Tree, and Random Forest classifiers, selecting the best-performing model for final deployment.
- Technologies:** Python, Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn, Jupyter Notebook.
- Repository:** github.com/ksangeeth9391/Credit-Card-Approval-Prediction

PRACTICAL EXPERIENCE

Virtual AI & ML Intern — SmartBridge Educational Services Pvt. Ltd.

In collaboration with APSCH E | 120 hours over 2 months | Certificate ID: VIP-AIML-2026-2610

- Completed a structured virtual internship covering core AI/ML concepts through hands-on labs and guided practical exercises, collaborating remotely within a cohort-based learning environment under program mentorship.
- Open-Source Contributor (GitHub):** Contributed improvements to open-source repositories, gaining practical experience with collaborative version control, code review, and problem-solving in shared codebases.

TECHNICAL SKILLS

- Programming:** Python, Java, Object-Oriented Programming (OOP), Data Structures fundamentals (arrays, linked lists, stacks, hashing)
- Machine Learning / AI:** Scikit-learn, NLP, TF-IDF, Logistic Regression, Decision Tree, Random Forest
- Databases:** SQL
- Tools & Version Control:** Git, GitHub, Version Control, VS Code, Jupyter Notebook
- Web Technologies:** HTML, CSS, Flask, React (basic/familiar)
- Cloud Platforms:** Oracle Cloud Infrastructure (OCI) fundamentals
- Operating Systems:** Windows 11, Ubuntu

SOFT SKILLS

- Interpersonal:** Problem Solving, Team Collaboration, Communication, Ownership | **Practices:** SDLC awareness

CERTIFICATIONS

- Oracle Certified Foundations Associate – Oracle Cloud Infrastructure (2025)
- HackerRank – SQL (Advanced) Certification (2026) | IBM – Artificial Intelligence Fundamentals
- Great Learning – Data Science with Python | AWS Cloud Computing Training – Viksha Tech Solutions (OPC) Pvt. Ltd.

Extra-Curricular: Paper Presentation, JAM, Coding Contests, Essay Writing | Languages: English, Telugu, Hindi.
